FROM THE PRINCIPAL TEAM

DAD’S NIGHT – FOOTY NIGHT
We hope that everyone that came along last night had a great time. It was wonderful to see so many kids and dads kicking footballs on the oval and enjoying the barbecue despite the weather.

GRADE 4 CAMP
Our Grade 4 students enjoyed a busy 3 days at Ace High Camp this week. The weather was perfect for their stay on the Mornington Peninsula.

JUMP ROPE FOR HEART
Jump Off Day is September 10th for all students. Don’t forget to collect sponsors from family and friends. (More details in this newsletter)

FOOTY DAY
Our term will end with our annual Footy Day and Parade on September 20th. Children can come dressed in their team colours. A gold coin donation will go towards Bacchus Marsh Relay For Life.

CHOCOLATE FUNDRAISER
Our Chocolate Fundraiser has finished, please return all unsold chocolates and money raised. Thank you to everyone for selling all of your chocolates.

BALI CLOTHES DONATIONS
Thanks once more for the wonderful collection of clothes which have been donated. We will be finalising the donations at the end of this term. They will be most gratefully received by the children and families of our Sister School Sudimara No 6 in Bali.

AVENUE OF HONOUR BOOK
Our published book, full of our student’s work is available at the office for $10.
SCIENCE FAIR

What a great morning last Friday when we had students presenting their entries in the 2013 Science Fair! Every year we see such wonderful and well thought out experiments and presentations. Thanks to Mrs McWhinney for organizing this event. Our entries ranged from bones, balloons and bi-carb soda to volcanoes and turtles!
YARN BOMBING

You may have noticed a piece of Yarn Bombing Art on a bench seat in the undercover area this week. Thanks to Stephanie the local artist who spent several hours completing this work. We would still like any donations of knitted or crocheted 30cm squares in any colour, design or pattern (the brighter the better). We would like them by November 1st, so please get your fingers busy. Also if you have any unwanted wool or old woolen jumpers to use for further pieces around the school we would love to use them for this project. Any donations can be left at the office.

HAVE FUN WITH BUDDIE AND LEARN ABOUT CYBERSAFETY

**JUMP ROPE FOR HEART**

Our “Jump Off Day”, **TUESDAY 10th SEPTEMBER**, (next Tuesday) is almost here and the children have been practising and persisting with their skipping skills. The demonstration team from Rockbank Primary school was a great motivator and inspired some great skipping in our school.

We have a Whole School Skipping Learning Intention. Everyone in the school is aiming to improve a skill they can already perform, as well as learn a new one. Ask your child what skills they are trying to develop. Maybe they can teach you one or two tricks!!

This year our fundraising for Jump Rope For Heart has been dedicated to **Bob Sutherland**. In January this year Bob passed away suddenly from a Heart Attack. Bob and his family, Lynda, Drew and Mel have run the Roses Gap recreation camp for several years. This is where our Grade Five students have their annual camp experience. Having attended a number of school camps in my career, this camp is by far one of the best that I have been to.

They create a wonderful Camp atmosphere, are patient, kind and provide our students with the skills and knowledge that they can build upon as they grow into young adults. Many of the students that have attended The Roses Gap Camp have already finished Secondary School. (The food and the cooking staff are fantastic too!!!!).

To honour Bob and his contribution to our camp program we would like to raise as much money as we can for the Heart Foundation, so that this disease can be studied further and equipment can be bought to assist those requiring help for cardiac problems. Donations of any amount help. Children are required to wear school uniform and comfortable shoes for this activity.

If you would like to donate, then you can do this by either going on line to

[www.heartfoundation.org.au/jumpropeforheart](http://www.heartfoundation.org.au/jumpropeforheart) and following the prompts or sending back the sponsorship form with the money attached by the end of next week.

The Heart Foundation appreciates all donations and we thank you in anticipation of your support.

Ms Carrie Curtis  
Music Teacher
Bacchus Marsh Primary has been using the QkR (pronounced “quicker”) payments app for a few weeks now, and early feedback from parents using the app has been very positive. On top of this, the school is working with MasterCard and the Department of Education and Early Childhood Development to automate the accounting of school payments made via QkR which will make the school office operate much more efficiently than when cheques or cash are used to make payments on behalf of your children. But just in case that wasn’t sufficient reason to download and trial QkR, MasterCard are donating $2.00 to the school (up to a maximum of $5,000) for every payment transaction (MasterCard or Visa cards) made via QkR during Term 3. Parents using the app to date have already been raising money for the school, but now that we are able to announce this program, we hope to see as many parents as possible using the app on Android or Apple phone and tablets to pay for lunch orders, excursions, sports activities and any other payment you make to the school. Finally, please make sure you have the very latest version of the app updated on your phone, as there are some new features that only work with the latest version.
