GRADE 6 PRODUCTION – CLICK!
What a talented group of Grade 6 students we have at Bacchus Marsh Primary School! Congratulations to the students and Staff who performed four outstanding shows for our school community this week, after many weeks of preparation and work. We hope you had the chance to enjoy the show.

SCHOOL PARKING
Parking continues to be an issue around our school. We are asking all parents to please be mindful of our neighbours. There have been some ongoing concerns about cars blocking driveways at pickup and drop off times. We thank you for your support with this and discussions are still ongoing with the Shire about solutions.

FOOTY DAY
What a great day to end Term 3 with our students wearing their team colours today. All donations from the day will go to the Bacchus Marsh Relay for Life fund.

NAPLAN YEAR 3 AND 5 STUDENT RESULTS 2013
Printed individual student results for the NAPLAN 2013 tests were scheduled to be delivered to schools for distribution to parents from the week commencing 16 September.

Due to an error, all Year 5 and 7 student reports are being reprinted and the delivery of the Victorian student reports to schools will now commence Monday 7th October.

ACARA –Australian Curriculum Assessment and Reporting Authority has apologized for the inconvenience caused by this delay.

YARN BOMBING
We would still like any donations of knitted or crocheted 30cm squares in any colour, design or pattern (the brighter the better). We would like them by November 1st, so please get your fingers busy. Also if you have any unwanted wool or old woolen jumpers to use for further pieces around the school we would love to use them for this project. Any donations can be left at the office.

PREP SWIMMING
A reminder to all Prep parents that swimming for all Prep students starts on Friday 25th October. It is $85.00 for the seven week program. Permission notices and ability forms will be sent home during the first week of term four.

HAVE FUN WITH BUDDIE AND LEARN ABOUT CYBERSAFETY
Don’t forget that by using this phone app you will save time and effort when ordering canteen lunches or paying excursions and camps. During Term 3 & 4 when you use this app, our school receives a fundraising donation per use.

MasterCard donating money to the school when parents use QkR

Bacchus Marsh Primary has been using the QkR (pronounced “quicker”) payments app for a few weeks now, and early feedback from parents using the app has been very positive. On top of this, the school is working with MasterCard and the Department of Education and Early Childhood Development to automate the accounting of school payments made via QkR which will make the school office operate much more efficiently than when cheques or cash are used to make payments on behalf of your children. But just in case that wasn’t sufficient reason to download and trial QkR, MasterCard are donating $2.00 to the school (up to a maximum of $5,000) for every payment transaction (MasterCard or Visa cards) made via QkR during Term 3. Parents using the app to date have already been raising money for the school, but now that we are able to announce this program, we hope to see as many parents as possible using the app on Android or Apple phone and tablets to pay for lunch orders, excursions, sports activities and any other payment you make to the school. Finally, please make sure you have the very latest version of the app updated on your phone, as there are some new features that only work with the latest version.
