

## GRADE SIX PARENT PAYMENT ARRANGEMENTS 2021

6<sup>th</sup> November 2020

Dear Parents and Guardians,

We are writing to you, our valued parent community, to ask for your annual financial contribution towards your children's education for 2021.

At Bacchus Marsh Primary School we pride ourselves on providing your children with a varied, stimulating learning environment. While Bacchus Marsh Primary School receives government funding to provide your children with an education, these funds cover only the basics. Critical learning resources, including those supporting our numeracy and literacy programs, as well as our specialist subjects like our kitchen, garden and science and technology programs, are not funded by the Government. Your children's access to these highly valued learning experiences depends on parent contributions.

The vast majority of our school community provide these contributions. A low response would affect our ability to offer the standard of education we believe your children deserve. All government schools ask for such contributions from parents.

We make all efforts to ensure these costs are kept to an absolute minimum. Our aim is to make it as easy as possible for you to contribute, and we are very happy to provide you with flexible payment options. Please get in contact with Matt Smitten (03 5367 2745, [matthew.smitten@education.vic.gov.au](mailto:matthew.smitten@education.vic.gov.au)) if you would prefer alternative payment arrangements. Payments can be made by cash, EFTPOS, BPay or via the QKR app. Centrepay is also available to recipients of Centrelink payments.

We group parent contributions into the following categories:

- Essential student learning items, including the backpack and other consumable resources
- Subject contributions, which includes other crucial learning resources
- Tax deductible donations, including contributions to our library and building funds
- Optional, ad hoc contributions, including camps, excursions, incursions, school magazine, etc. These items will be invoiced throughout the year as required

On page 3 and 4 we have provided some detail about how we calculate and allocate these crucial parent contributions. The Bacchus Marsh Primary School parent payment policy is included on our website, and there is further detail on the Department of Education's website.

Yours sincerely,

Melinda Williams  
Principal

Lachlan Hodgson  
School Council President
