WESTERN RANGES DIVISION

Volleyball

Last Wednesday we sent a Boys and Girls team to the Division Volleyball for the 1st time in recent memory. We only play Newcombe (modified volleyball) at District level, so this was a great challenge for us to learn the rules and develop some skills in a short period of time. The teams travelled to Heathdale Christian College in Melton and played against the other winners from their District. Both teams had some exciting moments during the day, particularly in their final sets where it was extremely close and each point was important. We didn't win any games on the day, but a great experience for all involved. Thanks to Marg Turner for helping out on the day and the parents for getting your students there.

Basketball

On Friday, both our Boys and Girls Basketball teams went to MARC Stadium for the Division competition. The boys played hard all day and were the 2nd half specialists, winning all 2nd halves in the 3 matches. They won 1 game and finished 3rd overall. The girls had some close and physical tussles, winning all 3 games and making it through to the Regionals for the 3rd straight year. Great work girls! Thanks to all the parents who came along and also helped with scoring. Thanks to Dail for being in charge of the results, and our SEDA students Isaac and Kyrah for being great coaches. Another fantastic day!

Mr Champness
PE & Sports Coordinator

Great work to our volleyball players and we look forward to our future in this space

Go BMPS Basketball – Great effort by you all!

CURRENT WORKS

Works are coming along very nicely around our school, but will continue into week 2. Thankyou for your great support with parking and the ongoing inconvenience for OSH Club as families move in and out of our school.

Please note:

DROP OFF ZONE

- THERE ARE ONGOING WORKS IN THE DROP-OFF ZONE AND WE ASK THAT THE UTMOST CARE IS TAKEN ON RETURN TO SCHOOL
- CARS MUST NOT PARK IN THE DROP-OFF ZONE AS IT IS A KISS AND DROP AREA ONLY.
- STUDENTS MUST USE THE NEW CONCRETE PATH AS THE ONLY ENTRY FROM THE DROP-OFF ZONE.
- PLEASE DO NOT ACCESS THE STAFF CARPARK AREA AT ANY TIME OR MOVE THE SAFETY FENCING.

LERDERDERG STREET ENTRANCE

From the commencement of term 4 can we please ask that:

- STUDENTS DO NOT USE THE FRONT ENTRANCE AS A THOROUGHFARE INTO OR OUT OF THE SCHOOL
- THE DRIVEWAY GATE ALONGSIDE THE ART ROOM WILL BE THE ENTRY POINT ONCE OPENED.
- STUDENTS ARRIVING BEFORE 8.30 AM ARE ASKED TO WAIT IN THE UNDERCOVER AREA UNTIL DISMISSED.
- FORMAL YARD SUPERVISION COMMENCES AT 8.35 AM

Thank you all most sincerely for your support with these processes to enhance safety at drop off and reduce congestion in our administration area.

SHOUT OUT FOR TARGETED SCHOOL COUNCIL SUPPORT

Expressions of Interest - Bacchus Marsh Primary School Council

Bacchus Marsh Primary School (BMPS) is Victoria's oldest 'still operating' State School. In 2025, we are celebrating our 175th year of providing quality education to the township of Bacchus Marsh and the surrounding district. BMPS is committed to providing high-quality, relevant, and rigorous education for all our students so that they become empowered members of an enterprising and cohesive society. We operate within a strong framework of values and behaviours based on respect, kindness, learning, and teamwork.

We are currently seeking Expressions of Interest for Casual Vacancies due to unfilled positions on the School Council. The School Council plays a vital role in the governance of our school, working closely with the principal and school leadership to:

- Set the strategic direction of the school
- Approve and monitor the school's budget
- · Develop and review school policies
- Support community engagement and fundraising initiatives

We are looking for individuals who are passionate about education and can bring a variety of skills and perspectives to our team. Desired skills and experience include:

- Strategic Planning and Governance
- · Building and Grounds Management
- Community / Stakeholder Engagement
- · Grant Writing / Policy Development; or
- Legal Knowledge

No formal qualifications or prior experience on a council are required, just a willingness to contribute and collaborate with others to support our students and school community. School Council meets 8 times over the school year, with opportunities to contribute to sub-committees or specific projects if desired. October 21 and December 9 are our two remaining meeting dates for 2025.

To express your interest, please submit a short statement (approximately 150 words) outlining your background, connection to the school or local community, and what you hope to contribute as a School Council member. Please email your expression of interest to: bacchus.marsh.ps@education.vic.gov.au

For more information, contact Melinda Williams – Principal, on 53672745.

Join us in supporting the success and well-being of all students at Bacchus Marsh Primary School.

Kind regards,

Steph Davidson - Secretary - Bacchus Marsh Primary School Council

THANK YOU FOR HEEDING OUR ONGOING SAFETY MESSAGES

DROP OFF ZONE IMPORTANT SAFETY MESSAGE - NO PARKING ZONE

We take this opportunity to clarify that our Drop Off Zone, off Young Street at the rear of our school, is not a parking space. Thank you for reading and following the signage displayed in several strategic places to assist with this clear safety messaging.

Vehicles are not to be left unattended in this area.

OSH CLUB DROP OFF & PICK UP - Before 8.30 am and Post 3.30 pm.

No vehicles are to park in the staff parking area, and this area is not to be used as a walking thoroughfare.

Students are to be walked in through the student access gate along the pathway and are to exit via this same pathway, not through the car park.

Thank you most sincerely for following the signage to minimise any further concerns for staff when they are entering or leaving the car park.

Having said all of the above, we acknowledge the ongoing challenges posed by limited parking, but must put the safety of our students, staff, and community at the centre.

BUS ZONES ON LERDERDERG STREET

Our third reminder relates to the bus zones on Lerderderg Street.

All of the yellow line markings on the north and south sides of the street indicate **NO PARKING** before or after school to allow our buses to safely enter and exit the zone to collect our students.

Pulling up at the Prep entrance gate to collect students on Lerderderg Street is also contravening the safety signage, impacting pedestrian and vehicle vision on our crossing. This blatantly ignores the safety rights of our school community.

LERDERDERG STREET

PLEASE DO NOT PARK OVER DRIVEWAYS.

GUIDES

We offer a safe space for girls of all backgrounds to decide and plan what activities they want to do in their term program – it could be cooking, celebrating national/international days, games, craft, outdoor skills and activities, going to camp, working on earning a badge or just having a fun night together! They make new friends, work together in teams and develop leadership skills and resilience in a non-competitive environment. In Bacchus Marsh, we have units for girls aged 7-9 years (Tuesday) and 10-13 and 13-17 years (Wednesday).

Girls can come and try guides for a free, three-week period. Visit <u>guidesvic.org.au/join-now</u> or contact as above for more information
